

# PerformancePro Pumps

For performance that's OFF THE CHART of ordinary pumps!

Figure Number: P200F

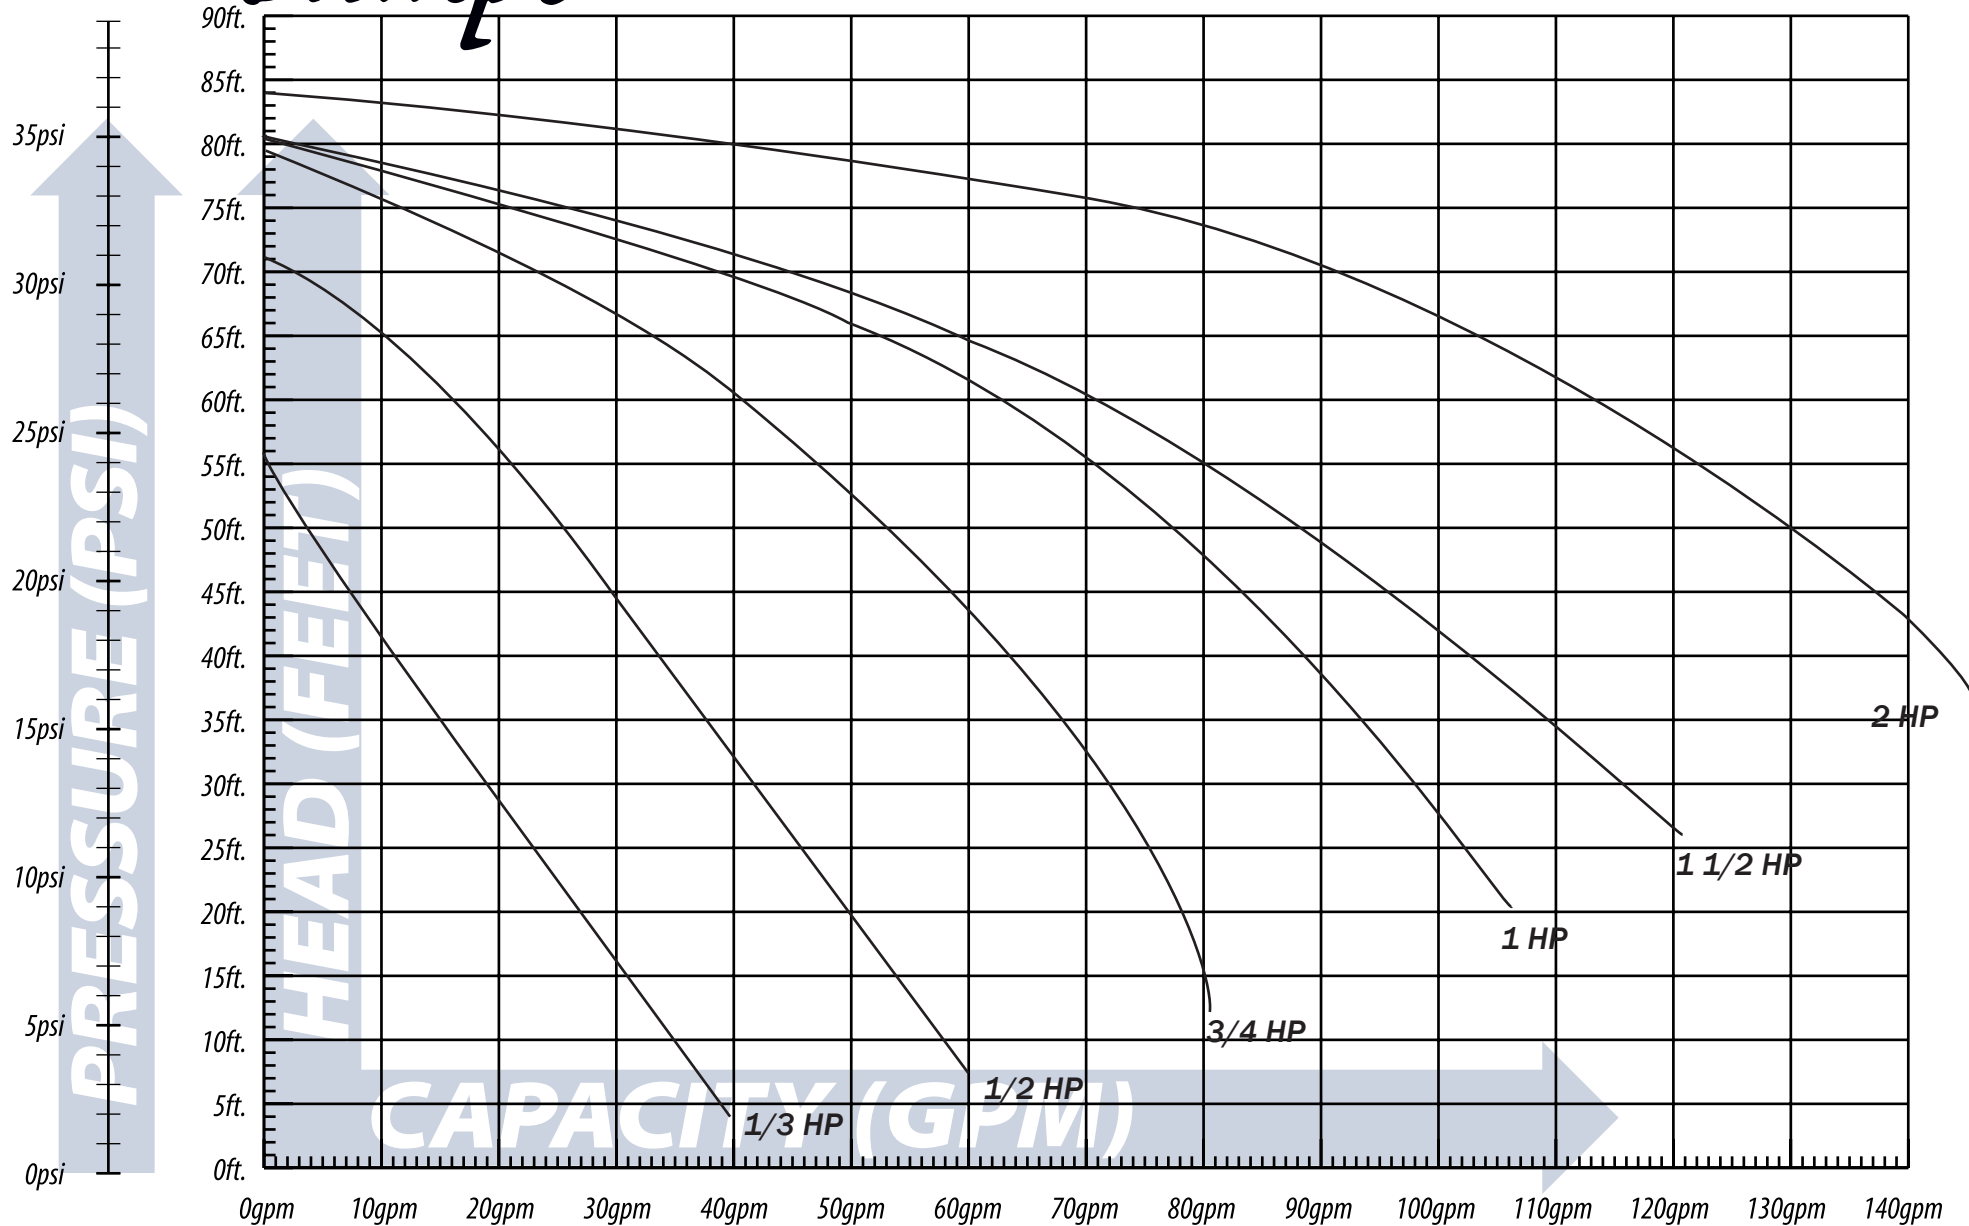

Date: 5/15/00

Pump Model: PerformancePro

Impeller: P1-P6

Horsepower: 1/3 to 2

RPM: 3450

The HP ratings are for motors with full nema service factors. For motors with 1.0 service factor, or for fluids with a higher specific gravity, upsize motor accordingly.
